**[louise@marmaladedesign.com](mailto:louise@marmaladedesign.com) | [www.hilltreerabbit.com](http://www.hilltreerabbit.com)**

- Multidisciplinary freelance maker and scenic creative with over 10 years' experience across props, paint finishes: distressing, metal, wood & stone finishes, floral and plant installations, set dressing, upholstery and drapes, sign writing and structural builds.
- Experienced at delivering work for projects ranging from social media campaigns to large-scale international events.
- Hands-on, adaptable and solutions-focused, with strong workshop skills, carpentry ability and a sharp eye for detail.
- Specialises in transforming concepts into tactile, visually striking environments, often under tight deadlines and for high-profile clients.
- Comfortable working end-to-end from concept through on-site installation across indoor, outdoor and live environments.
- Confident collaborating with designers, producers, technical teams and external partners.
- Calm under pressure, deadline-driven, collaborative and reliable.
- Passionate about creating unusual, playful and immersive environments.
